

Approved Oil Company of Brooklyn 718.238.1050

Free Boiler Program!

Oil Heat – Efficient, Reliable & safe

Approved Oil wants to keep you in the family. As the price of fuel plummets and the cost of natural gas conversions skyrocket.

Here are the facts:

By the time you install a chimney liner, remove your oil tank and install a new boiler and hot water heater, you will have spent in excess of \$10,000.00 for a natural gas installation.

The payback period can be as long as seven years. Seven years is a long time to wait! Modern oil fired boilers deliver great efficiency and Oil heat customers enjoy the freedom to choose vendors.

Here at Approved Oil we place great value on your business and have an amazing deal for you:

We will give you a new oil fired boiler for free.

All you pay for is the cost of labor, controls & material*

What do we want in exchange? A three year commitment to buy fuel from Approved Oil Company at competitive prices. Remember, local oil companies offer great service and oil heat is remarkably safe.

**Filing fees and asbestos abatement are additional. Credit and consumption requirements apply.*

From our family to yours - Oil Heat - Safe and reliable
