FUEL OIL

BASIC SERVICE PLAN

- annual tune-up and inspection
- priority service
- no diagnostic fees

The Basic Service Plan gives you FREE parts-and-labor coverage for the following:

CONTROLS

- aquastat
- burner mount relay
- cad cell eye
- cad cell relay
- emergency switch
- fuses
- single limit control
- pressuretrol control
- primary control
- Pyrostat
- stack control
- thermostat (manual)
- toggle switches

WARM AIR SYSTEMS

- air filter*
- air regulator
- air stat
- blower fan belt
- fan control
- limit control
- * one standard filter per year; replaced during tune-up

FUEL SUPPLY PARTS

- fill cap
- Firomatic valve
- fuel filter cartridge
- fuel filter cartridge gasket
- fuel pump
- fuel pump bellows
- fuel pump bleeder
- fuel pump couplings
- fuel pump fittings
- fuel pump gasket
- fuel pump needle valve
- fuel pump seal
- fuel pump strainer
- oil line fittings*
- oil line valve**
- oil tank gauge***
- vent cap
- * for burner only
- ** at burner section only
- *** petrometer type not included; for 275-gallon tank only

BURNER PARTS

- air shutter
- air stabilizer
- burner blast tube
- burner cables
- burner capacitor
- burner coupling
- burner fan
- burner flange
- burner motor
- burner pedestal
- burner switch
- buss bar
- transformer leads
- cad cell assembly
- cad cell wires
- electrode assembly
- electrode wires
- electrodes
- flare fittings
- high tension wires
- ignition leads
- ignition transformer
- ignition transformer gaskets
- ignition transformer terminal
- ignition wiring
- low voltage wiring
- motor contactor
- nozzle
- nozzle assembly
- nozzle line
- porcelain insulators
- solenoid valve
- turbulator

HOT WATER SYSTEMS

- aquastat (single pole)
- circulator coupling
- circulator motor mounts
- circulator wicking

OTHER

- anti-hum device
- glass gauge
- glass gauge washer

PREMIUM SERVICE PLAN

- annual tune-up and inspection
- brushing and vacuuming of heat exchanger
- no diagnostic fees
- priority service
- no charge for after-hours service

The Premium Service Plan gives you FREE parts-and-labor coverage for all parts in the Basic Service Plan plus:

PARTS

- automatic water feeder
- barometric dampers (up to 7")
- bearing assembly
- circulator (minis 007 Tac not BNG)
- circulator impeller
- clock thermostat (24 volt only)
- Extrol tank
- 47-2 and 51 feeders (valve and strainer only)
- float & switch assembly (67 only)
- high pressure regulator
- low pressure regulator
- low voltage transformer
- pop safety valve (up to 1")
- pressure reducing valve
- temperature gauge
- unifeders, McDonnell-Miller 101
- zone valve motor
- zone valve powerhead (Taco, one only)

SERVICES

- bleed radiators once a year
- adjusting boiler pressure
- adjusting water level

OTHER

- dual valve
- flue pipe (up to 7")
- oil tank vent alarm (no piping)
- oil fill box
- PS801 low water cut-off (includes all probe type feeders and those made by Safeguard)

KEEP FOR YOUR RECORDS

SEE OTHER SIDE FOR COMPREHENSIVE TUNE-UP LIST AND GENERAL CONDITIONS

COMPREHENSIVE TUNE-UP

Both plans include a 10-point precision tune-up, which includes the following:

1. Perform efficiency test.
2. Inspect and adjust burner; inspect heat exchanger.
3. Check thermostat operation.
4. Lubricate all motors, bearings, fans and circulator pumps (if necessary).
5. Replace nozzle, filter and strainer (if necessary).
6. Inspect flue pipe; check and seal chimney pipe.
7. Inspect and adjust safety and operating controls.
8. Check blower motor and belt (if applicable).
9. Inspect and tighten all wiring and connections.
10. Inform customer of equipment condition. Recommend necessary repairs.

OPTIONAL COVERAGE

TANK INSURANCE

Includes a \$1,000 tank replacement* warranty. Call us to see if your tank qualifies for this comprehensive coverage.

*for 275-gallon tank only

GENERAL CONDITIONS

- A.** It is expressly understood and agreed that Approved Oil Co. is released from liability in the event of losses, personal injuries, property damages or failure due to acts of God or government, accidents, wars, acts of enemies, strikes, riots, labor difficulties, floods, fires, freeze-ups, leaks, power failures, boilers fired without water, failure of owner or occupant to maintain proper water level or sufficient oil supply, misuse, abuse or any abnormal conditions, and for any and all cause beyond its control whether in the clauses enumerated or not and all services or parts required thereby are excluded from this contract and do not have to be furnished by Approved Oil Co. Any service or repairs rendered by reason of damage or failure due to any of these events shall be charged at prevailing rates. In any event, Approved Oil Co. shall not be liable and customer agrees to hold Approved Oil Co. harmless from any and all losses or claims for injuries, to understand that the liability, if any, shall be limited to the repair or replacement of such part and Approved Oil Co. is hereby expressly released for any consequential damages or favor for any other cause whatsoever.
- B.** Customer shall purchase all fuel requirements for their premises from Approved Oil Co. and fuel must be paid for within 30 days from date of delivery. Customer's oil consumption must be not less than 800 gallons per year.
- C.** This contract shall automatically terminate if customer discontinues purchase of all fuel requirements from Approved Oil Co. Furthermore, if customer is delinquent in payment of any invoices rendered for fuel oil delivered and/or parts furnished or services rendered, or if oil burner is altered, repaired or tampered with by anyone other than Approved Oil Co. or its authorized agents, Approved Oil Co. shall have the right to withhold service and/or delivery of oil and at its option terminate this contract immediately without notice. In the event of any termination of the contract, there shall be no adjustment, credit, refund or rebate for any payments made by the customer or for any unexpired portion of the contract, and the customer shall continue to be liable for all unpaid charges. In case of change of ownership of property, this contract may be transferred only with the consent of Approved Oil Co.
- D.** Service calls resulting from failure of customer to turn on emergency switch, open fuel valve, bleed air, add water when needed to steam systems, set thermostat properly, replace air filters or drain expansion tank are not covered by this contract and will be billed at regular hourly rates. In addition, service calls due to power interruptions, water in basement, blown fuses or tripped circuit breakers, electrical problem, or excessive dirt or water in oil tank are not covered by this contract and will be billed at regular hourly rates. A service charge will be made due to insufficient oil when customer is not on automatic delivery or when a delivery is held up for credit delinquency.
- E.** Approved Oil Co. reserves the right to cancel the oil burner maintenance plan agreement at any time upon notice to customer, or it may refuse to renew same upon expiration if in the sole opinion of Approved Oil Co., oil burner is obsolete, or service rendered thereon is excessive, or material or parts for said burner are not readily available, or fuel requirements for said premises are abnormally low. In the event that Approved Oil Co. cancels for any of the foregoing reasons, the unexpired portion of the contract will be refundable to customer.
- F.** This agreement shall constitute the entire contract between the parties and Approved Oil Co. shall not be bound by any warranty, express or implied, except as herein set forth.
- G.** This agreement shall be binding on Approved Oil Co. when Approved Oil Co. shall have inspected and approved oil burner, boiler, accessories, equipment and fuel storage tank.
- H.** In case of default, the customer will pay, in addition to all monies due for fuel, service and finance charges, a sum equal to 25% thereof, but in no case less than \$50, for attorney's fees, and/or collection charges if placed in attorney's hands for collection or suit.
- I.** Approved Oil Co. shall incur no liability whatsoever for any soot, smoke, fire, water or freeze-up damages to owner's property as a result of services rendered, delays in transportation or damage due to no heat in unattended houses.
- J.** Normal service hours are 8 a.m. to 4:30 p.m., Monday through Friday. Emergency service is available 24 hours a day, including Saturday, Sunday and holidays during the heating season. The heating season is from Oct. 15 to April 15. Tune-up appointments are available from April 1 to Sept. 30.
- K.** This contract will be automatically renewed each year unless 30 days' written notice is given by customer.

This contract supersedes any prior contract.
